## FACILITIES – UMBRELLA FACILITIES

### FIRST AID

Opening Hours Summer Season: 10:00 – 18:00

The Beach offers First Aid to visitors in the event of emergency medical requirement, as defined by law. All guests are kindly requested to provide the necessary information to the Doctor or Nurse who will attend to them. Guests must follow the guidelines provided to them.

In the event of serious injury, guests can leave the medical centre on signing of all necessary documents and at their own risk. When the injured person is a minor, he / she is only able to leave the First Aid centre if accompanied by a parent or guardian.

The First Aid unit is equipped with the appropriate medicines and equipment to attend to serious incidents. The use of medicines will only be prescribed after the advice of the Doctor, who has full responsibility for the patient's / injured person's care.

For the most effective operation, it is recommended that visitors to the Beach inform the Beach supervisor, should they suffer from a chronic health problem or a serious medical history before using the Beach facilities and, especially, before engaging in water sports.

### LIFEGUARD

The Beach provides the legal number of lifeguards and hours of their presence by the relevant provisions for the operation of the bathing facility.

This is listed in a prominent place for the information of bathers. Visitors should follow the instructions, suggestions, advice, and remarks of the lifeguard on duty.

In the event of extreme weather conditions or sea pollution, the Lifeguard can prohibit swimming on obtaining prior approval from the Beach Management and Port Authority.

When the Red Flag is raised at the Lifeguard Tower, visitors should be aware that there is no Lifeguard on duty and swim at their own risk.

The Beach has been specifically demarcated with precise markings not under the supervision of a Lifeguard and visitors should understand that swimming outside these limits is at their own risk. Visitors who suffer a health problem should notify the Lifeguard prior to any activity at the Beach.

### SECURITY OF AREA

The Company and Beach Management are not responsible for any inappropriate behaviour of guests as well as problems or accidents that may arise from such behaviour.

Children should be under the constant supervision of their parents or guardians, who should be aware of the potential dangers that may occur at a busy beach. Guests are kindly requested to maintain their entrance ticket during their stay at the Beach and upon request, present it to the Beach Supervisors for inspection.

Given that the site has CCTV surveillance, interested parties may contact us to exercise their rights under applicable privacy laws, including national laws and regulations, the European Union General Data Protection Regulation (EU 2016/679) and instructions, which are published by the competent supervisory authority, are recognized as the subject, they can also contact the Beach Manager, Ms. Angeliki Taklakoglou, directly by phone at (+30) 210 89 01 619, or communicate with the designated responsible officer via email for any inquiries or clarifications the Data Protection Officer (DPO) at dataprotection@astir.gr.

### SHOPS

At the Beach, there are shops and restaurants which operate as independent companies at the disposal and complete service of the ticket holders. It is explicitly forbidden to visit shops and restaurants without the purchase of an entrance ticket.

### LOCKER ROOMS / SHOWERS

Shower facilities are available along the Beach. There are two categories of showers:
